### *Thank you*

AD Spitz  
Greater Goods S.A.  
17<sup>th</sup> July, 2008

Dear AD Spitz

Many thanks for the 100 pairs of men's and 100 pairs of women's shoes kindly donated by AD Spitz via Greater Goods S.A. We appreciate this donation which will make a difference to the recipients of the shoes.

We are facilitators for a Faith Based Initiative at the Coronationville ARV Clinic. The volunteers from the local Churches and Mosques in Westbury and Lenasia fund raise to provide food, toiletries and in some cases clothes for mothers (and siblings) who travel great distances to take their sick children to the ARV clinic. Some of the women travel by taxis from Diepsloot, Witkoppen and Alexandra and therefore not able to return to their homes should the children be admitted to the hospital. Many do not have any other clothes other than those they are wearing at the time. Many have been abandoned by their husbands, partners and families. These shoes are glamorous would assist in lifting the spirits of the mothers and teenage siblings.

Family Life Centre has a project called, "Precious Moments" our Westbury and Alexandra offices provide matric dance dresses and now we are able to offer shoes to those who cannot afford to buy their own. We believe that every girl deserves to feel like a princess, this creates self esteem and self worth so important to young girls.

Thank you for your assistance with both these projects. We will distribute the shoes in these communities and will send pictures to you.

Yours sincerely

Bernadette Williams
