## THANK YOU

*AD Spitz*

*Dear Sir /Madam*

*On behalf of Life Skills Community Project, I would hereby like to thank Greater Good South Africa for blessing our organisation with the shoes.*

*We are a Non-profit organisation and provide life skills training to previously disadvantaged community members. The shoes were distributed to young ladies who attend our training sessions. They come from the following areas:*

-  Florida
-  Sebokeng
-  Noordgesig
-  Riverlea
-  Westbury
-  Davidsonville
-  Eldorado Park

*We are extremely grateful for the gift as it was really needed by the learners and also served as a motivator for them to attend our centre.*

*We look forward to future ventures with Greater Good South Africa.*

*Kind Regards*

*L.A. Fortuin*
