Greater Good South Africa  
Attention: Vanessa

23 July 2008

Dear Vanessa,

*Thank you! Spitz donation of 250 pairs of shoes*

The donation of 250 pairs of shoes we collected from Irene has greatly impacted the beneficiaries of two organisations. Firstly Sparrow has given shoes to our learners, some of which have been assigned to our learners who are participating in our drama production to the UK and Ireland in October 2008. The shoes will be used on tour and then remain the learners' own.

In addition, we supported Ikageng Itireleng with shoes, which they distributed to the youth who stay in child-headed and granny-headed households in Soweto. The shoes brought significant relief, especially during the cold winter's months.

Both Sparrow Schools and Ikageng Itireleng greatly appreciate GGSA and Spitz' generous donation and support of our work with vulnerable and orphaned children in the greater Johannesburg area.

Again, thank you!

*Jackie*
