Dear Mr Swanepoel,

Re: Donation R6000 to Ubambiswano

On behalf of Ubambiswano, I would like to acknowledge receipt of and thank you for your donation of R6000. I attach the Section 18(a) tax certificate.

Ubambiswano has been running for nearly 20 years. We are proud of the difference we have made to underprivileged learners from the Daveyton and Etwatwa areas and the money will be used to sponsor two children to come to our Saturday School programme. Ninety-six learners come on Saturdays to improve their English, Maths, Science and Computer skills as well as learning some important life skills such as swimming, playing a musical instrument, drama and art.

We are most grateful for your contribution and look forward to developing a relationship with your firm in the future.

Yours sincerely,

*H. Cook*
